LETTER OF RECCOMENDATION

To Whom It May Concern:

I am writing this letter of request from Peter and his team at Sanderson Group Pty Ltd have been an on-going support partner for over 5 years with our Red Bull Display Car projects.

We have been consistently impressed with the level of communication & transparency through the entire project process. Peter delivered on accuracy & attention to detail by embracing our level of standards which creatively exceeded our level of expectations on each project.

I have no hesitation on recommending Peter and his team at Sanderson Group for projects based on the experiences that I have had.
